RAG Practice Company Handbook

This fictional handbook is designed for practicing a Retrieval-Augmented Generation (RAG) application. It contains information that can later be queried through a FastAPI endpoint.

1. Company Overview

NovaTech Solutions is a fictional software company that develops web applications, data platforms, and cloud-based automation tools. The company has Engineering, Human Resources, Finance, Sales, and Customer Support teams.

The headquarters is located in Hyderabad. NovaTech follows a hybrid working model depending on role and team requirements.

2. Working Hours

Standard working hours are Monday through Friday, from 9:00 AM to 6:00 PM. Employees normally receive a one-hour lunch break between 1:00 PM and 2:00 PM.

Remote employees are expected to remain available during core hours from 10:00 AM to 4:00 PM.

3. Leave Policy

Full-time employees receive 18 days of paid annual leave per calendar year. Leave requests should normally be submitted at least three working days before the planned absence.

For emergencies or unexpected illness, employees should inform their manager as soon as reasonably possible. Up to 5 unused annual leave days may be carried forward.

4. Remote Work Policy

Employees approved for remote work must maintain a reliable internet connection and work from a reasonably secure environment. Company laptops must not be shared with unauthorized persons.

Employees should use the approved VPN when accessing internal systems from an untrusted network. Sensitive documents should not be stored on personal cloud storage services.

5. Information Security

Employees must use strong passwords and must not share passwords with colleagues. Multi-factor authentication is required for systems that support it.

Phishing emails, lost company devices, or accidental disclosure of confidential information must be reported to the IT Security team immediately.

6. Employee Benefits

Benefit	Description
Health Insurance	Company-sponsored health insurance for eligible employees.
Learning Budget	Annual budget of INR 20,000 for approved technical courses and certifications.
Internet Allowance	Remote employees may receive INR 1,000 per month.
Transport	Office shuttle service is available on selected routes.

7. Performance Reviews

Employees participate in a formal performance review twice each year. Reviews consider project delivery, quality of work, collaboration, communication, and professional development.

Managers may also provide informal feedback throughout the year.

8. IT Support

The IT Support team handles company laptops, approved software, network access, email, and account access. Employees should create a support ticket for non-urgent issues.

For account security incidents, employees should contact IT Security immediately.
